### **Relax & Refill: We can help you in your fight against pain!**

#### **Peace of Mind Automatic Refill Program**

At Worker's Choice we know just how busy life can be, and to help you maintain your treatment and stay pain free, we offer an automatic refill program. Qualifying prescriptions will be sent to you automatically as soon as your medication is available for refill. When your last prescribed refill is coming up, we can work with your physician to help get it renewed.

Enrollment into the Peace of Mind Automatic Refill Program is free and easy! Simply complete the information below and return to Workers' Choice to get started. If you have any questions about the program, please call the pharmacy at (855) 969-3443. We appreciate your business and wish you Peace of Mind!

**I acknowledge and understand that Workers' Choice will automatically refill and bill the appropriate party for my prescriptions on file. I can cancel my participation at any time by calling (855) 969-3443.**
